## JR. CHAMBER SPONSORS RETURN VISIT OF FREE MOBILE CHEST X-RAY UNIT

Persons who failed to have a free chest X-ray last November when the mobile unit maintained by the Alameda County Tuberculosis and Health Association was here, will have a second opportunity on Feb. 15 to 19 when the Junior Chamber of Commerce sponsors the unit in another visit to this city. The unit will be parked in front of the O. A. Nelson appliance store on Solano Ave. at Kains Ave. and will be open week from 12:30 a. m. until 7 p. m. on Saturday and 11 a. m. until 5 p. m. on Sunday. Members of local P.T.A. units will serve as registrars.

According to Sam Filicetti, chairman of the Junior Chamber of Commerce Health Committee, 1624 persons were X-rayed during the last visit of the mobile unit in Albany. This number, 54 were recorded as needing further checking for tuberculosis, seven were found to have heart ailments and eight needed other chest abnormalities.

The unit pointed out that the entire procedure takes less than 10 minutes and it is not necessary to remove any clothing. The number of Tuberculosis cases in Alameda County has taken alarming upswing in recent years, Filicetti said. "All persons who have not had a chest examination recently should most certainly take advantage of this free X-ray unit and other services in the battle against Tuberculosis which are financed by the annual Christmas seals."

Sponsored by the Sorooptimist Club to raise funds for an iron lung for Albany, the variety show will present members of local civic and fraternal groups in a series of skits, dances and musical numbers.

Claire McGaw, appointed as general chairman of the program, will be aided by Irene Villa and May Olson. A door prize of \$50 will be awarded and ticket holders need not be present to win. Only adults will be eligible for the award.

## Children's Aid Group To Receive Profits At 'Minnie Lou' Home

Net proceeds from admission tickets to the "Minnie Lou" model home during the week of Feb. 5-11 will be turned over to the Albany Auxiliary of the Children's Home Society. The money will be used to further the group's work in arranging adoptions for homeless babies.

Located at 851 Solano Ave., the home is open daily from 9 a. m. until 9 p. m. Proceeds from the 50 cents admission is donated to local organizations for charitable work.

The following Auxiliary members are serving as hostesses during the week: Mesdames Lawrence Williams, Cecil Boekenogren, Olim Douglas, Harold Denham, Dwight Haven, Everett Terhune, Fred Granholt, Richard Moulthrop, Wayne Miller, Gordon Magruder, C. E. Webster, O. K. Walton, M. C. Murphy, Oliver Nelson and Miss Jean Douglas.

## Marin Dads to Honor Daughters at Program

The Marin Dad's Club will hold their annual Dad's and Daughter's Night on Feb. 11 at 7:30 p. m. in the Marin School Auditorium.

There will also be movies and refreshments.

from 1938 to 1941. She was American Federation Extension Director from 1940 to 1946 inclusive and was American Federation Assimilation chairman from 1946 to 1948.

Harold Olson (right), chairman of the Albany area Red Cross fund raising campaign for 1949 confers with Berkeley drive officials Elwyn Evers (left) and A. J. Muirhead (center) on plans for the campaign which is set to get underway on March 1.

## \$4,200 Set as Albany Quota In Red Cross Campaign

Albany's quota in the 1949 Berkeley-Albany-Kensington Red Cross fund raising campaign has been set at \$4,200, according to an announcement by Harold Olson, chairman for the local group. The quota is divided into two parts with \$3,050 to be raised in the residential area and \$1,150 assigned to non-residential districts. The total quota for the Berkeley-Albany-Kensington area is \$85,903.

"Albany has always oversubscribed its quota in past Red Cross drives," Olson said, "and we are confident that our record will be maintained through this year's campaign."

Mrs. Delia Walton, chairman of the residential area and her co-chairman, Mrs. Ross Price, have chosen the following area chairmen to aid them in the drive: Mrs. R. C. Ferguson, 1437 Marin Ave.; Mrs. Harold Stone, 1024 West Place; Mrs. Fred W. Woodward, 611 Santa Fe Ave.; Mrs. Fern Magazin, 603 Masonic Ave.

"The Red Cross will face new challenges during the next fiscal year," Mrs. Walton said. "Not only must it continue its traditional responsibilities to the armed forces, veterans and their families as well as to other segments of the nation, but it must be prepared to occupy a prominent place in the preparations now going forward for civilian defense."

## C. of C. to Seek First Class Post Office for City

"Lively and progressive" is how Joseph Benjamin, newly appointed assistant manager of the Chamber of Commerce characterized Albany's service clubs after recent visits to meetings of the Rotary, Exchange, Lions and Junior Chamber of Commerce.

"I was well received at all meetings and the members showed an intense interest in the development of an active Chamber of Commerce such as our Board of Directors is now planning," Benjamin said. "I am now visiting all merchants in the city to explain the aims of the Chamber and seek a 100 per cent enrollment of businessmen. The \$25 a year membership fee should be considered by all as money well expended when one considers the program outlined by the Chamber for 1949."

Benjamin listed as one of the major projects planned by the Chamber, a drive to secure a first class post office for Albany.

Also planned is a combined city map and business directory, membership advertising on billboards,

## Eagles Schedule Benefit Dance For Xmas Party

Two free airplane rides will be offered as a door prize at a dance sponsored by Bayview Aerie 2323, Fraternal Order of Eagles on Saturday night, Feb. 12 at Painters' Hall in El Cerrito.

Dance Committee Chairman Harold Brothers has booked a good band for dancing from 9 p. m. "on." There will be other valuable prizes awarded throughout the evening in addition to the door prize. Proceeds from the benefit dance will go into the Eagles' fund to sponsor their annual Christmas party for the children of Albany.

Working with Brothers on the committee to assure a grand time for all are George McConnell, George Glavinovich, Sam Locke, Tony Kalberer, Frank Bowers and George Porter.

Tickets may be purchased from any member of the Albany Aerie or at the door on the night of the dance. Painters' Hall is on San Pablo Ave. one-half block north of the El Cerrito fire station.

## Many at Opening of New Mechanics Bank

"Very successful" are just two words that might be used to describe the open house held last Friday night to show the new Albany offices of the Mechanics Bank. A large number of East Bay residents braved the rain to visit the bank and marvel at the beauty and efficiency of its facilities.

E. M. Downer Jr., president, and other bank officials were on hand to greet the visitors as were Mayor Frank Hays, city councilmen and many more city dignitaries.

Luckiest man of the evening was Andrew Hartwig, 907 Cleveland St., who won the \$25 U. S. Savings bond awarded as door prize.

Another first of the evenings was the beautiful floral display sent by Joe Villa, a facsimile of the front of the new bank made of different colored flowers.

Punch and sandwiches for refreshments and selections sung by the high school a cappella choir, under the direction of Stephen Lehmer, were other highlights of the pleasant evening.

## 'Daughter's Night' Is Set by Cornell Dads

Members of the Cornell-Vista Dads Club will play host to their daughters at the annual Dads and Daughters Night Friday evening, Feb. 11.

The program, to be held in the school auditorium, will start at 7:45 p. m. and will run approximately one hour. Program Chairmen, Al Liotta and Walt Jones, have lined up a fine variety program consisting of movies, dancing, and a comedy act.

Following the program the dads will serve refreshments in the cafeteria to the girls present.

President Edgar King urges every Cornell and Vista Dad to be present with his daughter or some other daughter in the neighborhood.

## Dessert Whist

The Albany Mothers Club will sponsor a dessert whist at the Y. M. C. A. Community Center, 921 Kains Ave. on Feb. 15 at 12:30, according to Mrs. Lille Jacksa, chairman. The public is cordially invited.

## SCOUTS TAKE OVER CITY OFFICES FOR ONE DAY AS PART OF BOY SCOUT WEEK

Albany had a new body of "city officials" this week- for one day, that is.

As part of their activities during Boy Scout Week from Feb. 6 to 12, members of local Scout troops were assigned to all city departments to learn the functions of municipal government.

## Big Scout Rally Saturday at Albany Theater

As a grand finale to Boy Scout Week, the Junior Chamber of Commerce, in cooperation with the Albany Theater, will sponsor a big Scout Week Rally at the theater on Saturday morning, Feb. 12 from 9 to 11 a. m.

The program will feature a showing of "Mutiny on the Bounty," a short comedy and colored films showing activities at Camp Wolfboro, the Berkeley-Contra Costa Area Council's summer camp in Calaveras County. A song and yell leader will lead the audience in singing Scout songs and yelling Scout yells.

Many Albany Scouts attended Camp Wolfboro and will be able to see themselves and their friends on the screen.

All boys nine years or older, whether they are Scouts or not, are invited to attend the big rally. Parents are especially invited to attend. Tickets may be obtained from local Scouts or at the theater.

Roy Stroemer, chairman of the Junior Chamber's Youth Development Committee is in charge of arrangements for the rally.

## Party Fetes Five Tots Graduating From Pre-School

A special party honoring five young graduates from the Albany Pre-School was held Friday, Feb. 4 at the Recreation Center, 850 Masonic Ave. The regular afternoon class was dismissed early and the graduates were feted with an ice cream and cake "social hour" to climax their many happy hours of play at the center.

Constructive play, under the direction of a trained supervisor, will be no novelty when starting to kindergarten for Jay Clark, son of Mr. and Mrs. John Clark, 941 Pomona Ave. Jay was enrolled in pre-school in September of 1946 and has attended continuously since then. The maximum length of time a child may attend is from the ages of two to four and a half.

Other graduates were Cindy Connell, daughter of Mr. and Mrs. John Connell, 714 San Carlos Ave.; Anita Johnston, daughter of Mr. and Mrs. Leonard Johnston, 805 Ramona Ave.; Diane Liotta, daughter of Mr. and Mrs. Albert Liotta, 948 Masonic Ave.; and Kathleen Morris, daughter of Mr. and Mrs. Lyford Morris, 1550 Sonoma Ave.

According to Mrs. Lille Jacksa, chairman. The public is cordially invited.

## Course in Music Aids Offered at Evening School

Visual-activity music games form the basis of a new and interesting 10-weeks' parent education course in music fundamentals and teaching aids now being offered each Monday evening at the Albany Evening High School, 603 Key Route Blvd. from 7:30 to 9:30. This class is taught by Mrs. Helen Cushing Selle, prominent voice and piano teacher of Albany, who is now writing a book on her experiences in teaching music.

Use in the class of visual activity music games, originated and employed by Mrs. Selle in her studio, will give parents a background for aiding their children to build a solid and practical foundation in music comprehension and appreciation. Parents will also be taught to aid their children with hand position, time values, reading notes, harmony, keyboard harmony, rhythm.

Shining Symbol of American Enterprise  
It would be good for us all to pause a moment on the eleventh of February to honor the man who gave us electric light — and say a simple "Thank you, Tom Edison". Every hour of day and night his light serves us. And we use it freely because it is good light—good and cheap to use.  
From Edison's light we have come to use electricity for more and more comforts and conveniences. We have learned to wash, iron, sew, clean house, preserve food and entertain the family—all with electricity. Today, lighting is just a small part of what many of us still call our "light bill".  
In a sense it is a "light" bill. It lightens our homes and our work, and the low cost of electricity helps lighten our task of balancing the family budget.  
Yes, Tom Edison, thanks to you.

**MEAT CUT Quiz**  
Q. What is the name of this cut of meat?  
A. This is the standing rump of beef.  
Q. Where does the cut come from, and how is it identified?  
A. The standing rump is taken from the round of beef. It is triangular in shape and contains portions of the atch bone and the tail bone. It usually weighs 3 to 5 pounds.  
Q. How should this cut be prepared?  
A. The standing rump of beef may be either roasted or braised. In high quality beef it is usually roasted. Place the meat fat-side up on a rack in an open shallow roasting pan. Roast in a slow oven (300° F.) until tender, allowing 25 to 30 minutes per pound. If the standing rump does not have a fairly heavy fat covering or distribution of fat throughout the meat, it should be braised and served as a pot-roast. Brown on all sides in hot fat. Add a small amount of liquid, cover closely and cook slowly until tender, allowing 3 to 4 hours.

## Newlywed Mr. and Mrs. Williams Now Making Home in Albany

Now "at home" in Albany after a honeymoon in the Santa Cruz mountains are Mr. and Mrs. James E. Williams (Shirley June Jilbert) whose wedding took place on Jan. 30 at Northbrae Community Church. Rev. Laurance L. Cross officiated at the 7 p. m. ceremony, followed by a reception at the U. C. Masonic Club. Approximately 500 guests attended both the wedding and the reception.

Reverend Cross said it was the largest wedding at which he has officiated in the 15 years he has been at the church.

Shirley was attired in a gown of white satin with long sleeves, imported French lace bertha, fitted bodice and full skirt. Her veil of French illusion was held with a satin Juliet cap and she carried a bouquet of white carnations and white orchids.

Mrs. Veri Stout, sister of the bride, was matron of honor, Betty Campbell was maid of honor with Doreen Gregory, Mary Lu Gregory and Marlane Meyers serving as bridesmaids.

The four girls wore matching gowns of flame colored velvet made with a net yoke and three-quarter length sleeves. Mrs. Stout carried a bouquet of white carnations with a matching band of flowers for her hair. The other girls had bouquets of pale green carnations with the same flowers for their hair.

For her daughter's wedding Mrs. Jilbert chose a chartreuse crepe gown with gold accessories while Mrs. Williams, mother of the bridegroom, wore bronze taffeta with brown accessories. Both had corsages of orchids.

Daniel Williams Jr., stood at the altar with his brother.

The new Mrs. Williams is the daughter of Mr. and Mrs. N. N. Jilbert of 1090 Peralta Ave. She is a past officer of the U. C. Masonic Club, a past honored queen of Bethel 87 of Job's Daughters and a member of Delta Chi Alpha, honorary decorative art society at U. C. She received her diploma from the University of California in January.

Her husband is the son of Mr. and Mrs. Daniel Williams of Salinas. He graduated with the U. C. class of '47 and is now doing graduate work in social welfare. He is a member of the Social Welfare Honor Society and holds an ensign's rank in the USNR.

them and ear training. An understanding and appreciation of the value and development of creative musical expression in children will be a primary goal in Mrs. Selle's work with parents.

The course is applicable for any musical instrument, but special emphasis will be put on voice and piano. Mrs. Selle's program is such that a knowledge of music is not essential to gain full benefit from the class.

Introduction to parents of this unique teaching system is expected to create family participation in music appreciation.

trance into the city at all major points, a bi-monthly bulletin to members and continuation of the present newspaper advertising program.

Benjamin reviewed the activities of the group during 1948 and cited two billboards, one on Solano Ave. and one on San Pablo Ave., as outstanding advertising for Albany and the Chamber. Advertising was also carried on in local newspapers during the year.

Through the Chamber's sponsorship of the Community Concert Association, famous artists have appeared at the high school auditorium in a series of concerts.

The publication of a monthly newsletter for all merchants and a survey of parking and traffic conditions in the city were other projects undertaken in 1948.

**GETTING THE ANSWERS—**  
 NBC commentator John Cameron Swayze, the regular panel member of NBC's Sunday night news quiz show, "Who Said That?" automatically prepares himself for the program when he delivers his own daily news broadcasts.

### Community Ass'n. Sponsors Leadership Class at Night School

The Albany Community Association will meet on Friday night, Feb. 11 at the Vista School to hear Chester Bekin in an analysis of proposed waterfront developments for the East Bay area. Reports on transportation studies being conducted by the Association and the evening school leadership course will also be submitted.

Sponsored by the Association, with the cooperation of Robert Dennis, principal of the evening high school, the leadership course will be conducted each Tuesday evening, starting Feb. 15, from 7:30 to 9:30 at the high school.

Paul Flegel, high school teacher and prominent youth leader in Albany, will serve as coordinator in the classes which will emphasize planning and leading family activities and leadership of youth organizations.

Specialists in family life, crafts, games, girl and boy Scout organizations and neighborhood and group activities will be featured as guest speakers. Rev. Robert Benefield, pastor of the Community Methodist Church, will speak at the first session.

### Berkeley Police Chief to Speak At MacGregor

Chief John Holstrom of the Berkeley Police Department will speak on "Today's Juveniles" at the February meeting of the MacGregor Parent-Teacher Association. The meeting will be held at 8 p. m. on Feb. 17 in the kindergarten room of the MacGregor Elementary School. Due to the importance of the topic and the high reputation of the speaker, Mrs. Helen McGimpsey, program chairman, has invited the public to attend.

Mrs. V. A. Clemens, president of the Berkeley-Albany Council of P.T.A., will give a short talk on Founders' Day. This will be particularly timely since the date of the meeting falls upon the 52nd birthday of P.T.A.

Also featured will be a display of hand painting on towels and linens by Mrs. Dorothy Jace, teacher of textile painting at the Albany Evening High School. The exhibits will be displayed on the walls of the meeting room.

Following the meeting, refreshments will be served by Mrs. Tony Skert, assisted by Mrs. Andrew Anderson, Mrs. Lynn Duggan and Mrs. Joseph Bernardi.

Many valuable prizes are being gathered by members of the MacGregor P.T.A. for their first whist to be held on Feb. 25 in the Marin School Auditorium. George Writhman, chairman of the ways and means committee, has announced a door award of a \$25 savings bond.

## WHEN FATHER CALLED NEW YORK

How in a few short years, Long Distance has speeded service, improved clarity, lowered rates

**2. Today it's just as easy** to talk across the nation as it is to talk to someone just across the table from you. Continual improvements in the telephone instrument you use, in telephone lines and cables, in voice-boosting equipment along the way, make a normal voice carry 3,000 miles or more with ease.

**4. Takes less time today** to get your connection. Now calls go through in an average of less than two minutes. These are just a few examples of the way telephone service grows in value . . . becomes a better buy. A local call still costs just a few pennies. Compared to other prices, telephone service is one of your biggest bargains today.

**1. Back in 1918** it was quite a thing to talk long distance all the way across the country. Took a good set of lungs, too. In those days you had to use as much voice to talk long distance as you would in calling to another person eighty feet away across an open field.

**3. Rates have gone down amazingly.** In 1918, Father paid about \$18.00 for the miracle of talking Coast-to-Coast. Worth it, too. By 1928, we'd been able to drop rates to about \$9.00 for a three-minute station daytime call. And today you can make the same call for just \$2.50, plus tax. Here's one of today's big bargains.

**The Pacific Telephone and Telegraph Company**  
 More than 70,000 people working together to furnish ever-better telephone service to the West
